## CLEANING INSTRUCTIONS

You have selected a Geberit product with a high-grade surface. Please follow the cleaning instructions so that your Geberit product will give you many years of pleasure.

Never use aggressive cleaners that contain chlorine, are acidic, abrasive or corrosive. Only use water and a mild cleaning agent.

1. Clean the unit with a soft cloth soaked in water.
2. Dry with a soft cloth.

The unit warranty does not cover damage arising from improper treatment with cleaning agents.
